Dear Principal,

Creative Secondary School (CSS) - Creative Showcase 2023 (Open Day) Invitation

With the lovely autumn breeze, we would like to warmly invite you and all your school community members to join our fun-filled Creative Showcase 2023 (Open Day) of CSS on Saturday, 11 November 2023 from 11:00 a.m. to 3:30 p.m. to celebrate the achievements of the Creative Secondary School community.

In the Creative Showcase, you will be able to find out more about our progressive, forward-thinking education that effectively prepares our students for our rapidly changing and increasingly challenging world. You can also take part in warm, exclusive student-led school tours to experience the multilingual learning environment and vibrant school life we offer to our students that makes CSS well-known since our founding in 2006.

On the day, you can meet our students and teachers, talk to our parent representatives, tour around our innovative, purposefully designed campus and facilities, as well as enjoy the multi-talented performances and students' works. More importantly, it is a good chance to get a deeper understanding of how the unique inquiry-based learning model of our IBMYP, IBDP and HKDSE curricula and teaching approaches help CSS students to think critically and creatively so that they can excel academically, develop confidence and a sense of citizenship and international mindedness for their own happy and meaningful life in future workplaces.
